

WALLY BYAM CARAVAN CLUB INTERNATIONAL, INC. 59TH INTERNATIONAL RALLY/CONVENTION

JUNE 28th, 2016 - JULY 4th, 2016 • Lewisburg, West Virginia

GUEST & MEMBER DAY PASS GUIDELINES

During the past few years, several questions have been raised about the use of day passes at the International Convention/Rally.

1. A member who has paid to attend the Rally may arrange for their guest(s), who is not a member or past member of WBCCI to receive a daily guest pass. A Guest Pass is for use by a member's guest who wants to visit the Rally limited to a max of 2 days, and is obtained from the Guest Pass Table in the Rally Registration area. (WBCCI Members are not Guest.)

<u>Guest Day Passes</u>	<u>Each Adult</u>	<u>Each Youth 10-16 Years Old/Under 10 Will Be Free</u>
One Day All Events	\$20.00	\$15.00

2. **International Officers and Region Presidents being installed** on July 3 may request special (no cost) guest passes for that night's Evening Program to enable their relatives to celebrate with the new officers being installed.
3. FOR DAY PASSES, members must register at the gate or as directed by the Rally. This is for walking in and staying offsite. The following fees are for consecutive days at a **pro-rated daily amount** up to a maximum of three days. Guest/Member passes will only be issued between June 28th and July 4th.

1 Day, 1 Person = \$32	2 People = \$36
2 Days, 1 Person = \$64	2 People = \$72
3 Days, 1 Person = \$96	2 People = \$108

The above daily fees allow members to park their car in a designated parking area and attend all meetings, seminars, contests, and evening entertainment for that day. The fees also pay the cost of using buildings and facilities on the Fairgrounds, and for other Rally costs, such as sound and light, entertainment, rented equipment, insurance, supplies, etc.

4. -If a **Delegate**, who is not a paid Rally attendee, wishes to attend the Delegates' Seminar and Meeting, he/she must present proof of membership and proof that he/she is the appointed Delegate.
- If a **member** who is not a paid Rally attendee wishes to attend, he/she must present proof of membership. Any Delegate or member will be permitted to attend only the Delegates' Seminar and Meeting at no charge. However, he/she will not be allowed to park his/her Airstream at the rally site.

Guidelines for charging daily fees are a privilege allowed by the Rally Committee to assure fair distribution and collection of fees among Rally attendees. The continuation of International Rallies depends upon fair assessments and the honesty of our members to willingly pay their fair share.

These guidelines dated March 30, 2016 supersedes previous versions.
